SHOT-BLASTED TO SA 2.5 STANDARD AND FINISHED IN A TOUGH 2-PACK POLYURETHANE COATING

4 X GALVANISED LIFTING EYES FOR SAFE MOVING, EASY STACKING AND EFFICIENT TRANSPORT

OVERVIEW

Used and trusted by thousands, our bestselling Fuelcube is the perfect compact fuel tank. Ideal for any small to medium application, these all-steel tanks are British-made, 110% banded and fully U.N. and U.L. approved to transport diesel on the highway. Available 250 gallons capacity, our Fuelcubes are expertly designed and manufactured to the latest regulations. They can even be lifted and stacked when full of fuel, using their four galvanised lifting eyes or integrated forklift pockets. Choose from 12/24V or hand pump dispensing kits to suit your needs on-site.

KEY FEATURES

- ▶ All-steel construction for unrivalled strength and security
- ▶ Compact, durable and stackable design
- ▶ U.N. and U.L. approved for transporting diesel on the highway
- ▶ Fully banded and compliant with current environmental regulations
- ▶ Ideal for refuelling small plant and machinery, groundcare equipment, generators and traffic control equipment
- ▶ Lockable anti-vandal lid with internal hinges and gas strut opening
- ▶ Rotary tank contents gauge plus generator flow and return connections
- ▶ 4 x galvanised lifting eyes and forklift pockets for safe lifting and moving
- ▶ Optional protection frame reinforces your Fuelcube for the toughest sites
- ▶ 10-year tank warranty for peace of mind
